COMMITTEE REPORT

**TO: The Presiding Officer and Members
Sangguniang Panlungsod
Batangas City**

FROM: The Committee on Transportation

SUBJECT: Request of Trimotors Technology Corporation for the Amendment of Article II Section 2 (60) of the Batangas City Traffic Ordinance of 2019

Referred to the Committee is the request of Trimotor technology Corporation for the amendment of Ordinance No. 23 S. 2019 otherwise known as The Batangas City Traffic Ordinance of 2019.

Particularly, Article II – Definition of Terms, Section 2 (60) – Tricycle. Under Ordinance No. 23 S. 2019, *“Tricycle for Hire”* is defined as *“a motor vehicle with issued City franchise engaged in ferrying passengers or cargoes for a fee, composed of motorcycle fitted with a single wheel side car”*. Trimotors Technology Corporation proposes that the term *“Tricycle”* be defined as: *“a motor vehicle with issued City franchise engaged in ferrying passengers or cargoes for a fee, composed of a motorcycle fitted with a single wheel side car, or a motorized three-wheeled vehicle.”*

The proponent corporation requests the amendment, reasoning that utilizing other motorized three-wheeled vehicle for public conveyance or transportation will improve utility services for the riding public. Other three-wheeled vehicles, not confined to the traditional tricycle which is a motorcycle with attached side car, provide efficient alternative common carrier. One such motorized three-wheeled vehicle is the Bajaj RE, a rear-engine three-wheeler vehicle with a 198cc single cylinder engine. It features fuel injection technology and a sophisticated cooling system. The Bajaj RE is just one of the modern innovation in transportation which is in the same classification as the tricycle.

The Committee finds merit in the proposal for the addition of the phrase *“or a motorized three-wheeled vehicle”* in the definition of Tricycle for Hire under the Batangas City Traffic Ordinance of 2020, as it will provide other efficient alternatives for transportation of passengers and cargo. Therefore, the Committee recommends the following:

1. To approve on First Reading the Proposed Ordinance Amending Article II, Section 2 (60) of the Batangas City Traffic Ordinance of 2020.
2. To adopt this Committee Report.

Respectfully submitted. January 10, 2023.
