RE: 1. Letter from the Honorable City Mayor, Beverley Rose A. Dimacuha requesting for the reprogramming of budget allocation for the Construction of two infrastructure projects under the 20% Develoment Fund for CY 2018 amounting to Ten Million Seven Hundred Fifty Thousand Pesos (P10,750,000.00)

Ang pagpupulong ay pormal na binuksan ng Kgg. na Tagapangulo Kagawad Serge Atienza sa ganap na ika 10:30 ng umaga. Pinakiusapan si Kagawad Karlos Buted na manguna sa Panalangin.

PANALANGIN - KAGAWAD KARLOS BUTED

CHAIR/S. ATIENZA: Magandang umaga po sa ating lahat, before we proceed, we would like to acknowledge the presence of the following. Anyway this is a Joint committee hearing of Committee on Engineering and Committee on Appropriations. We have here today yours truly, Chairman of the Committee on Appropriations, Councilor Gerry dela Roca, Chairman of the Committee on Engineering. We have Konsehala

Alyssa Cruz, Councilor Armando Lazarte, Councilor Julian Villena, Councilor Aileen Montalbo, Councilor Glenn Aldover, Councilor Oliver macatangay, Councilor Karlos Buted, Councilor Nestor Boy Dimacuha, Councilor Nelson Chavez, our SK Federation President - Hon. Marjorie Manalo. We have also our City Planning - Engr. Sonny Godoy, our City Budget-Mam Beth Delos Reyes, our City Accountant - Ms. Sherryl Bool.

So, our first matter for today is with regards to the 1st Indorsement respectfully forwarded to the Honorable Sangguniang Panlungsod of the Budget Officer of the City dated September 25, 2018 with regards to the Request for reprogramming of Budget Allocation for the Construction for the Construction of two infrastructure projects under the 20% Development Fund for CY 2018 amounting to Ten Million Seven Hundred Fifty Pesos (php 10,750,000.00) to five (5) priority projects listed below.

So, before we recognize our city Budget and probably the rest of our guest I would like to relinquish the Chair to the Chairman of the Committee on Engineering.

CHAIR/G. DELA ROCA: Thank you very much. Magandang umaga po sa ating lahat. So, maybe I would like to ask Engr. Godoy kung ano po itong tungkol po dito sa projects na ito na nais na nating palagyan ng reprogramming of budget allocation.

ENGR. J. GODOY: Magandang umaga po sa ating mga Kgg. na members ng Sangguniang Panlungsod. With regards po dito sa request ng ating Honorable City Mayor through the City Budget Officer and the Local Finance Committee ay we are requesting for the reprogramming noon pong pondo na naka-allocate po doon sa ating dalawang Infra projects. For your information po, ito po ay nakalagay doon sa ating Approved 20% Development Fund for Infrastructure Project for CY 2018 ito pong Construction of Multi Purpose covered Court Simlong amounting to Ten Million and Construction of Pathway at Bucal amounting to Seven Hundred Fifty Thousand. Lahat na pong projects na included doon ay naimplement na natin dahil po sa mga reasons na sumusunod. Iyon pong construction ng Multi-purpose Covered Court Simlong ay wala pong available site sa ngayon at kaya naman po natin napalagay ito ay sabi po ng JG Summit ay meron daw po silang ido-donate na hindi pa naman po natutuloy ang

donation. Ngayon naman, ang Barangay naman po ay walang kakayahang bumili ng lupa sa ngayon, so hindi po maiimplement. Ito naman pong construction of pathway sa Bucal ay naka-prioritized pero noong kausapin natin ang Barangay Captain ay nagkaroon pala ng isyu sa Right of Way and then iyong priority nila ay ang hiningi nila ay ang concreting of Barangay Road at nabigyan naman doon sa Supplemental Budget natin No. 1 for this year. So, iyon pong amount na Ten Million Seven Hundred Fifty Thousand ay hindi po magagamit, so meron naman po tayong nakita na limang priority projects na kailangang maimplement this year. Unang-una po ay iyong Rehabilitation ng Sitio Makaisa Bailey Bridge sa Talumpok Silangan na sa kasalukuyan po sa inpormasyon na ibinigay sa amin ng Engineering at ng Barangay ay hindi na po nadadaanan at hazardous at may safety concern na po sa mga dadaan. Iyon po namang Waterworks System sa Sto. Domingo, ito naman po ay ipina-implement ng City, dinevelop, nagkaroon ng turn over noong December para po sa kapakinabangan ng Barangay, noon pong Marso ay biglang nawala ang tubig dahil po iyong bukal daw ay nagkaroon ng problema iyong source nila. So, ang mga tao po ay walang makunan ng maayos na tubig. Iyong No. 3 naman po ay ang Talumpok Silangan Waterworks, ito po ay for bidding this year, kaya lang po ay noong magawa ng City Engineering ang Program of Works ay almost Six Million ang kailangan, nakalagay naman po doon sa ating Approved 20% Development Fund ay Five Million, so para lang po matuloy ito ay nangangailangan tayo ng dagdag na One Million na pondo, kaya po One Million ang nakalagay dito. And then, iyon pong construction ng spillway sa Mahakot Kanluran na P1,341,980.00 at iyon pong Construction of Spillway sa Mahabang Dahilig - P1,044,725.00. Ang paglalagyan po ng sinasabi nating pondo na Ten Million ay para po dito sa limang ito na nagkakahalaga ng same amount from Ten Million Seven Hundred Fifty na hindi nagagamit, ilalagay po naman natin doon sa mga priority na dapat pong maimplement ngayong taon na Ten Million, seven hundred Fifty Thousand. At ito pong limang projects na ito na paglalagay ay nakalagay pong lahat sa Approved City Annual Investment Program 2018 at doon po sa Supplemental Annual Investment Program No. 1 for 2018 na inaprubahan na po ng ating Sangguniang Panlungsod.

So, with that po, thank you very much po for

your consideration of this matter, thank you po.

CHAIR/G.DELA ROCA: Thank you very much, Engr. Sonny. Konsehal Boy…

KAGAWAD N. DIMACUHA: Maraming salamat po. Magandang umaga po sa ating lahat, ganun din sa Federation of Parents Teachers Association. Worth Ten Million Seven Hundred Fifty Thousand was _____ for the construction of the Covered Barangay Basketball Court and Pathway. Now, the reason why it is being reprogrammed for lack of properties, ano po. so, it is obvious that this project being integrated in our City Development Council was really studied by the Barangay Officials who introduced the proposed project, ano po. I raised that comment because I firmly believed that they are not aware of crafting an Annual Investment Program of their own which is mandatory on Section 305 par. g of the Local Government code. So, kung ito man lamang ay napag-aralang mabuti ng Barangay Development council ay hindi na ho natin ito para i-reprogramm pa, pero one thing which is favorable naman po is doon sa ibang Barangay naman na nangangailangan ng improvement. So, sa kabila po ng lahat ng aking observation, I will be seeking your good office to advise that every Local Government Unit without exemption, ibig sabihin ay kasama po ang Barangay should create their own Barangay Development Council and formulate an Annual Investment Plan, ano po. Sa annual Investment Plan na, siya na ngayon ang magiging basis ng budgeting at hindi lang po iyong sinasabing nakatingala ka at iniisip kung ano ang dapat isubmit, ano ho, which is very common practice and that practice should have been stopped matagal na at dapat atin pong i-advise sa kanila na they are governed by RA 7160 Section 305 Paragraph G, ano po. Mandatory po iyan at magiging maluwag at maalwan para sa atin ngayon ang magbalangkas ng mga priority programs ng Barangay na ii-integrate dito sa atin sa City Development council. So, that is actually my observation at sana this observation reach the 105 barangays for them to act accordingly considering it is a mandatory obligation of every LGU without any exemption. Thank you, Mr. Chairman.

CHAIR/G.DELA ROCA: Thank you very much Konsehal Boy,

napakaganda po ng inyong obserbasyon. But then, bago po tayo magpatuloy ay atin pong ia-acknowledge ang pagpunta dito ni Atty. Macarandang, ang atin pong City Administrator and ang atin pong, of course, ang atin pong head ng ating Market, Ma'am Ella Atienza. So, siguro po, with regards to the comment of Councilor Boy, siguro po ay bago tayo magkaroon ng pagbibigay ng pondo o paglalagak ng pondo especially sa mga ganitong bagay na nangangailangan po ng donation ay dapat pong maisigurado para sa ating mga Barangay Officials, if ever na ito pong mga proyektong ito ay meron pong pagtatayuan para hindi na po tayo nagkakaroon ng ganitong panibagong mga augmentation. Konsehal Nelson Chavez…

KAGAWAD N. CHAVEZ: Magandang umaga po sa ating lahat. Engr. Godoy, itatanong ko lang po, doon po sa mga priority project po ng Barangay na paglilipatan, ano po ba ngayon ang sitwasyon ng tulay po sa Lamao dahil ito po ay matagal ng sarado, ang nakakadaan lang po ay mga maliliit na sasakyan, motor at tricycle, doon po sila nanunulay sa… doon lang po sila nanunulay. Napansin ko lang, hindi kasama dito sa budget na paglilipatan po na mga project. Ito po ba ay may pondo na para po sa repair o para po sa bagong paggawa ng tulay?

ENGR. J. GODOY: Good morning po, Mr. Chairman, permission… gusto ko lang pong mag-comment doon sa napakagandang suggestion ni Konsehal Boy Dimacuha at iyon pong inulit ninyo tungkol po sa prioritization po ng project, kasi po iyong nangyaring ngang ito serves as a lesson din po sa mga concerned agencies na bago naman gawan ng Program of Works ay tingnan muna kung meron na bang donated lot na lalagyan. Kasi gagawan ng program tapos hindi pala ayos ang donasyon, popondohan naman ng Local Finance doon sa ating budget at naapruban naman ninyo. Nakakaalangan naman ho na unang-una ay dapat ay inaayos muna natin ang right of way o donation ng karsada. With regards naman doon sa concern ni Konsehal Boy, malimit naming sinasabi sa DILG na sila kasi ang nagko-conduct ng seminar sa Barangay, BNEO Official na basic naman sa kanilang module na dapat ay inilalagay nila ang organization, activation ng Barangay Development Council na kung saan ay sila ay nagpre-prepare ng kanilang Annual Investment Program na isina-submit sa city for our consultation iyong mga projects nila.

Kasi, nakaka-kuwan din naman ho sa mga Barangay Captains, hindi ko naman ho nilalahat, akala nila kapag nasa Annual Investment Program iyong kanilang project na isinabmit sa atin na inaprubahan ng CDC at ng Sanggunian ay may pondo na. Lagi naming ipinapaliwanag, iyan ho ay wishlist, pinagbabasehan ng mga projects na dapat ilagay sa budget. Ay lagi nilang ini-expect na meron ng budget, kaya tatakbo sa inyo, nakalagay na sa AIP namin eh, approved na sa inyo… ay hindi ho, iyon ho ay AIP, ang budget ho ay iba at iyan ho ay basehan…

With regards naman ho sa tanong ni Konsehal Nelson Chavez, iyon pong Araw-araw River, iyon hong bridge doon iyon po ay kasunod na priority, ito pong Makaisa, ito po ay after election pa hinihingi ang repair at rehabilitation sa Talumpok silangan, iyon pong sa Araw-araw iyon pong sa Libjo, Lamao, iyon po ay kasunod na at hinahanapan nga ng pondo, baka sakaling before… hindi naman iprina-promise na makakakita, pero kung meron pang maii-supplemental pa o maii-reprogrammed pa kung sakali ay dapat po ay magawa next year. Pero next year po iyong first two months ng January-February ay inilagay na namin na siya agad ang maging priority.

KAGAWAD N. CHAVEZ: Dahil nga sa ngayon po ay halos isang buwan na po silang sarado, ito po ay existing road papuntang Pallocan ay kung ito po ay magtatagal pa ay marami po sisgurong maaabala dito. sana po ay ating gawan ng paraan na maayos kahit po iyong repair po lamang na pupuwedeng dumaan ang mga jeep, malaking bagay po ito sa mga taga-Libjo at bandang San Isidro. Iyon lamang po at marami pong salamat.

ENGR. J. GODOY: Meron na pong prepared na Program of Work ang CEO naka-submit po sa Office of the City Mayor hahanapan lang po ng pondo, top priority po iyon.

CHAIR/G.DELA ROCA: Thank you very much, Konsehal Nelson. Maitanong ko lamang po, ito po bang rehabilitation of sitio Makaisa Bailey Bridge sa Talumpok Silangan, is it possible as of the moment.

ENGR. J. GODOY: Yes… passable siya, kaya lang ay isinara yata nila iyong isang lane. Nilagyan nila ng safety precaution signages dahil delikado din ho sa

gabi baka hindi nababasa ay baka lang may dumaan ay makaka-aksidente. So, iyon po ay top priority.

CHAIR/G.DELA ROCA: Thank you very much po. Any other comments, concern from members of Sangguniang Panlungsod? Konsehal Boy Dimacuha…

KAGAWAD N. DIMACUHA: My question Mr. Chairman is, is the reprogramming which is the subject of our discussion, is the Barangay aware of the reprogramming of the Ten Million Seven Hundred Fifty Thousand? Iyon pong Barangay Simlong, are they aware? So, ano po ang naging reaction noong malaman nila na ire-reprogram ang pondo na dapat ay ina-allot sa construction ng kanilang covered court, kasi, I ask that particular question baka po mamaya ay isipin na ibalik ang sisi na bakit ipina-reprogram ay tayo ang nag-request. Minsan, ang Barangay ay hindi nagkakasundo, ang nakakaalam ng program ay ang Barangay at iyong Barangay kagawad who is also a member of the council are not aware of the project. so, kailangan po naman na mai-suggest, Mr. Chairman, is inform them officially that the project integrated in our City Development Council will no longer be realized considering the reason ng City Development Council. So, at least official iyong magiging kasagutan natin sa kanila at hindi iyong magtuturuan… So, masabi natin para ma-exercise din nila ang kanilang professionalism hindi iyong pag nakatalikod ay paasbukan ng kai-kainaman. So, my suggestion, Mr. Chairman is to request the City Development Council to officially answer the reason why reprogramming has been elevated.

CHAIR/G.DELA ROCA: Engr. Sonny Godoy…

ENGR. J. GODOY: Maganda po iyong sinabi ni Konsehal Boy Dimacuha, kaya nga po ay noong mag-meeting ang City Development Council last September 5 ay isa po ito sa resolusyon na ipinasa ng City Development Council composed of Barangay Captains para po they are officially informed that a reprogramming or realignment for that purpose will be done. So, nagkaroon po ng City Development Council Resolution na naka-attached po dito. Bago po nagka-CDC Resolution ay nagkaroon po kami ng pag-uusap with the Barangay Officials with the concern Barangay. Thank you.

CHAIR/G.DELA ROCA: Bago po tayo magpatuloy, nais po nating i-acknowledge ang pagdating po ng ating butihing Vice Mayor Dr. Jun Berberabe at iyon pong mga myembro pala, mga officers po, nandiyan po ang Pangulo ng PTA, dati pong Konsehal Lito Endrinal, nandiyan din po ang kanyang mga kasamahang makikisig, lahat po ay naka-pula except po sa isang myembro po na naka-puti, consultant po siguro ito at meron pang nakadilaw. Kanina po ay sinasabi na sila po ay nagkaka-isa, so pangita po sa suot na talagang nagkaka-isa sila, good morning po sa inyong lahat. Sa grupo po ng BCON, sa Barangay Council, Pangulong Mike ng Talahib Pandayan, medyo pagkatapos po nito ay tayo na po ang susunod. So, any other concern with regards to this matter?

KAGAWAD N. DIMACUHA: Last comment, Mr. Chair…

CHAIR/G.DELA ROCA: Konsehal Boy…

KAGAWAD N. DIMACUHA: Considering that there are no more inquiries, may I request the Honorable Chairman to terminate the hearing and the same be approved, the subject, Supplemental Investment Program No. 2 of Calendar Year 2018 among are the rehabilitation of Sitio Makaisa Bailey Bridge - Talumpok Silangan; Improvement Rehabilitation of Waterworks System in Sto. Domingo; Additional Works at Waterworks System in Talumpok Silangan; Construction of Spillway - Mahacot Kanluran; Construction of spillway - Mahabang Dahilig, I move for the approval of this particular project.

CHAIR/G.DELA ROCA: Okay… sasabihin ko iyan sa mga taga-Talumpok Kanluran na your aim is to terminate the discussion… Thank you very much Konsehal Boy.
