COMMENTS:

During the committee hearing, the CDRRMC Officer made an introductory statement regarding the requested utilization of fund in compliance with the NDRRMC Memorandum Circular No. 01 S. 2019 or "Enjoining all Member Agencies to Support the Nationwide Dengue Epidemic Response".

As per the said memorandum, the said agencies are requested to have dengue-awareness campaigns, community participation through Dengue Brigades, and assistance in the mobilization of logistics and conduct of chemical interventions. As a result, it is necessary to utilize a portion of the 30% CDRRMC Quick response Fund amounting to P 15,000,000.00 in order to conduct the said activities which will be beneficial in combating the dengue threat.

The number of dengue cases from 2018 to 2019 increased from 696 (2018) to 991 cases as of January 1 to August 27, 2019. The representatives from the City Health Office reiterated there is no "outbreak" yet to consider since this declaration supports an environmental study, naval survey, laboratory confirmation and the like. The said 30% CDRRMC Quick Response Fund will be funded from the General Fund
