THE COMMITTEE ON LAWS, RULES AND REGULATIONS

COMMITTEE REPORT

PASSAGE OF A RESOLUTION AUTHORIZING THE CITY MAYOR TO SIGN THE AGREEMENT BETWEEN THE CITY GOVERNMENT OF BATANGAS AND SMART COMMUNICATIONS INC. FOR THE INSTALLATION OF A COMMUNICATIONS FACILITY KNOWN AS ("SMALL CELL").

COMMENTS/RECOMMENDATIONS

The subject request for the passage of a Resolution was referred to the Committee on Laws, Rules and Regulations for its consideration during the Regular Session on March 01, 2022 while its title and whereas was also approved on the same date.

In response to the City Government request for the signal enhancement at Main City Council and Vice Mayor office buildings of the Batangas City Hall, Smart Communications Inc. is pleased to offer the installation of a communications facility known as ("Small Cell"). This facility has its own radio capacity designed for exclusive use of all SMART mobile users inside the building.

As previously discussed, SMART will be performing cabling works in the premises for the equipment's FIBER OPTIC CABLE (FOC). AC Power requirement, equipment-to-antenna connectivity, and other minor civil works necessary to make this Small Cell operational.

Considering no legal impediment with the subject request and that the said request would be beneficial to the Batangas City government, the Committee hereby recommends:

1. The adoption of this Committee Report.
2. The approval of the required Resolution hereto attached.

Respectfully submitted, March 14, 2022
